16. [REDACTED] LIAISON Talked to Dick Anderson, House Permanent Select Committee on Intelligence staff, regarding his request for a briefing by the DDO on procedures for the DDO to identify which DDO activities fall directly within Executive Order 12036 and require that the DCI brief and get the approval of the chairman of the SCC. I suggested to Mr. Anderson that it would be most appropriate for him to have a discussion on this topic with Don Gregg, C/PCS/LOC, and volunteered to set up an appointment with Mr. Gregg.
